## OBJECTIVE

---

Seeking an entry-level position in a dynamic company where I can apply my relevant skills and education, make valuable contributions to the company's success, and learn and grow in the role.

## EDUCATION

---

**Bachelor of Engineering: Computer Science and Engineering**

2020 - 2024

Alva's Institute of Engineering & Technology, Mangalore

## SKILLS

---

<b>Technical Skills</b>	C, Java, Python, C++, JavaScript, Web Development, App Development, MySQL, DSA
<b>Soft Skills</b>	Communication, Problem Solving, Team Work, Time Management, Adaptability

## PROJECTS

---

### Online Mobile Shop Management System

Developed a dynamic web application utilizing HTML, CSS, PHP, JavaScript, and MySQL for efficient management of a mobile shop. Implemented features including inventory management, order processing, and user authentication. Designed with an intuitive user interface to streamline operations and enhance user experience.

### Messaging App (Android)

Developed a messaging application in Android Studio using Java and Firebase. Features include real-time messaging, user authentication, and push notifications.

### Currency Converter Web App

Developed a web application to convert currencies in real-time using HTML, CSS, JavaScript, and an external API. The app allows users to select currencies and enter amounts to see live exchange rates and conversion results.

## CERTIFICATIONS & ACHIEVEMENTS

---

- Infosys Springboard certificates (Java programming, Python, DBMS, AI, Data Science).
- Wipro TalentNext Java Full Stack Certification.
- Unity Essential Pathway Certification.
- Postman API Student Expert.
- IBM Getting Started with Enterprise Data Science Certificate.

## EXTRA-CURRICULAR ACTIVITIES

---

- Contributed to maintaining a clean and healthy environment by planting saplings around the college premises.
- Conducted Computer Classes for Government High School Students, fostering technical skills.
- Volunteered for multiple college events.
- Conducted Awareness Program on Digilocker and safety measures for COVID-19.

## HOBBIES

---

Riddle Solving, Listening to music, Video Gaming.
